your mother's
garden club.

Welcome To the Zenith City Diggers

A different kind of garden club

The Zenith City Diggers manage the Waverly Park Garden at the intersection of Snively Road and Lakeview Drive. We encourage and seek members from across the Duluth area. Some of our members have hailed from Morgan Park, East Hillside, Woodland, and Lakeside. Former members have included Aldo Leopold, Rachel Carson, and Sigurd Olson (well, in spirit anyway).

Mission Statement:

None of us is really on a mission but we loosely ascribe to three guiding principles:

- Beautify the corner of the planet entrusted to us
- Keep the gardening activities fun
- Stay hydrated

Vision Statement:

Wear sunglasses on sunny and/or windy days.

Contact Us

The Diggers meet year round on the second Tuesday of the month. Although we welcome new members any time, we celebrate new memberships on Halloween. Annual election of officers takes place on April Fool's Day.

For more information or to find out the date and location of the next meeting, please email us at:

Deer, rabbits, and slugs
need not inquire.

Affirmative Action Statement

Zenith City Diggers does not discriminate on the basis of gender, race, color, nor political, religious, nor sexual persuasion. We do discriminate on the basis of species, however, regardless of the above mentioned characteristics.

Deer, rabbits, and slugs are prohibited by our by-laws
